Whole Foods in Devon supporting T&E Care

DEVON » Tredyffrin & Easttown Care is a local non-profit that supports local families who might be struggling due to an emergency or financial situation. The Whole Foods in Devon, 821 Lancaster Ave., has selected T&E Care to be one of their recipients through April 17 Nickels for Nonprofits Program. This program allows customers to donate their 5-cent bag refund to local nonprofit organizations instead of receiving it themselves.

If you shop at Whole Foods, and you bring your own bags, then please be sure to mention T&E Care when you check out. If you don't say anything, then T&E Care won't get your nickel. A year ago when T&E Care received this recognition it received almost \$1,000 from Whole Foods — so those nickels really do add up
