Help fill Valley Forge REACT's pantry

BERWYN — Representatives of the Conestoga High School girls' lacrosse team and Booster Club will be working with Tredyffrin & Easttown Care to collect food for the local food pantry, REACT, at the Pathmark on 450 W. Swedesford Road, Berwyn, on Saturday, March 21, 9 a.m. to 1 p.m.

Team and club members will be outside the Pathmark handing out empty bags to shoppers. It is the hope that shoppers will take a few extra minutes while inside the store to buy some food for REACT. Whether shoppers buy one item or fill a whole bag, everything will be appreciated. With the current economic problems, more and more people are turning to the local food pantry for help, while at the same time fewer people are making donations.
