

2024 ANNUAL REPORT

MISSION STATEMENT

The mission of T&E Care is to maintain a network of people providing short-term financial and other material assistance to persons in need in and around the Tredyffrin and Easttown Township area.

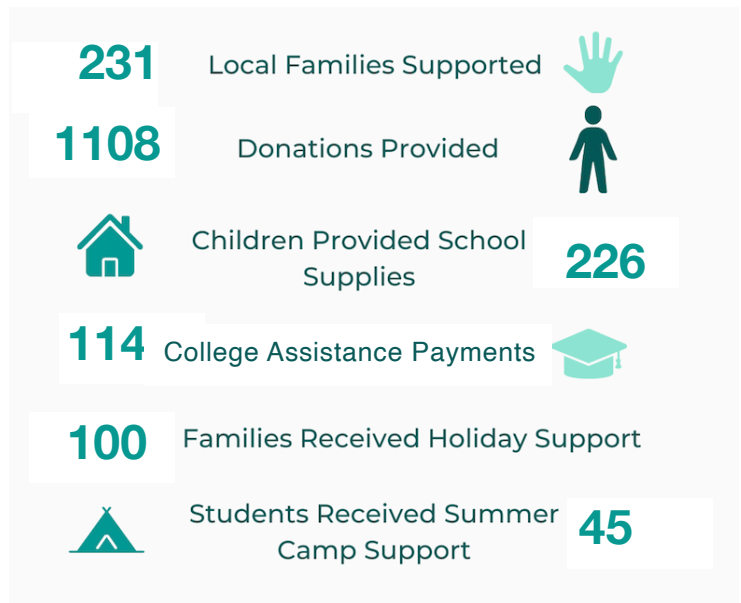

MESSAGE FROM THE PRESIDENT & CO-CHAIRS OF THE BOARD

Having now served the Tredyffrin and Easttown communities for over 19 years, the confidence that is bestowed upon us is truly humbling. Our partnerships with the local schools, faith-based organizations, police, and other local organizations allow for efficiency in learning about needs and handling requests quickly. Our donors have been wonderful in providing the needed resources, ensuring that both our financial support is always available and our drives can be successful. We added a new grant partner to our list this year – the Phillies! It’s overwhelming to think that we have such a broad community base from which to draw. The 2024 Fall Fest was our most successful fundraiser to date, raising almost \$115,000. Since the start of 2024 we added two new Board members (and sadly, one retired) as well as multiple new Auxiliary Board members – helping to broaden our relationships within the community. As always, we are grateful for the support of our communities, which enables us to be there for our neighbors.

SUPPORT

The diversity and uniqueness of Tredyffrin and Easttown Townships result in a variety of needs among the families and individuals with whom we work. We are proud to provide confidential support to these neighbors through individual payments of assistance as well as our larger drives. Because many needs involve complex situations, tailored individualized assistance allows us to provide support in ways that are most useful and impactful. In 2024, fifty-five of the two hundred thirty-one individuals and families being supported were new to the organization.

VOLUNTEERS AND DONORS

Throughout the calendar year, we host numerous events that serve as the framework for our programming and efforts within the community. From the midyear School Supply Drive to the Holiday Drive toward year's end, there are numerous opportunities to partner with us. We thank those volunteers who have been involved with our "stuff" and our computer refurbishing programs. Moving forward, these types of requests are being transferred to other methods of support. We are extremely proud of the Fall Fest in September 2024, which was a resounding success. Close to 200 people attended and enjoyed delicious food, a great location, superb entertainment by the Philly Keys, and an incredible emcee job by Adam Joseph of 6ABC. These many successful events and drives are only possible through the dogged efforts of our board, committees, and volunteers, and valuable partnerships with our donors.

FUNDING SOURCES

Words of Care

November 2024 – after paying a rent bill and a car insurance bill – the mom said: *Thank you so much! You can't imagine how happy I am. I am grateful to you with all my heart. The rent subsidy and insurance support you do is so important to me that I can't explain. Thank you for your team board, you are touching on peoples hearts.*
