About T&E Care

T&E Care is a local 501(c)(3) non-profit organization providing short-term financial and other material assistance to families in need in the Tredyffrin and Easttown Township community. Run entirely by dedicated volunteers, with no physical office or overhead, **98% of funds raised go directly to support families in need.**

Through confidential financial assistance and community-based programs, T&E Care supports essential needs such as housing and utilities stability, food security, medical and transportation expenses, school supplies and educational assistance, and more. **We help families with immediate needs today to prevent crisis and support them in building strong foundations for long-term stability for tomorrow.**

2026 Fall Fest: 5K & Family Fun Run

Fall Fest, our largest annual fundraiser, is reimagined as a 5K & Family Fun Run bringing together serious runners, walkers, parents and children, corporate teams, local businesses and organizations, and residents **who believe in community and caring for each other.** The refreshed format expands participation, offering greater visibility and engagement.

Why Sponsor?

Your sponsorship is a direct investment in the well-being of our community and:

- Allows T&E Care to respond quickly and compassionately to real needs
- Provides immediate and tangible support to neighbors in crisis
- Aligns your brand with a trusted, mission-driven non-profit
- Demonstrates your commitment to community and social responsibility
- Gains exposure to hundreds of participants and families

Audience and Reach

The 5K & Family Fun Run appeals to our health-conscious and engaged community, providing sponsors meaningful exposure.

- **Race Participants:** 100-200+ runners and walkers of all ages (anticipated)
- **Website Traffic:** 1.32k monthly visits
- **Community Email List:** 3.45k subscribers
- **Race Registration (Runsignup) Email Blast:** >90k Philadelphia-area runners
- **Social Media Reach:** Instagram >780 followers, Facebook >1.3k followers, LinkedIn >55 followers (new profile)

Why Your Support Matters

While the Tredyffrin and Easttown Township community is considered affluent with median household incomes exceeding \$160,000 and \$214,000, respectively, many neighbors quietly struggle with basic needs.

More than **2,400 people in our community live below the poverty line**, including children, adults, and seniors. Unexpected hardships such as medical bills, job loss, a broken car, or housing expenses can quickly lead to financial instability.

The need is growing. Rising costs for housing, utilities, and groceries are creating additional strain. In 2025, PECO rates increased more than 10%, natural gas rates rose 12.5%, and grocery prices in Pennsylvania increased 8.2%—the largest nationwide.

T&E Care has a proven track record of impact, helping over 200 families and more than 600 individuals each year. In 2025, we received 140 requests through our online form alone. In January-February 2026, we already received 30 online requests, reflecting an upward trend of need.

Your partnership enables us to continue providing critical support to families in need and expand our reach to support more families facing financial hardship with the resources they need. Thank you.
