About T&E Care

T&E Care is a volunteer-run 501(c)(3) non-profit supporting families in need in Tredyffrin and Easttown Townships. With no physical office space, **98% of donations go directly to supporting families** with urgent needs like utility bills, food, housing, and car repairs as well as community programs like the holiday drive, school supply drive and education assistance, and summer camp assistance.

We believe in **Families Helping Families** and **Neighbors Helping Neighbors**, providing immediate support today to prevent crisis and help families build strong foundations for long-term stability for tomorrow.

2026 Fall Fest: 5K & Family Fun Run

Fall Fest, our largest annual fundraiser, is now a 5K & Family Fun Run for serious runners, walkers, parents and children who value community and caring for each other.

Why Your Support Matters

While Tredyffrin and Easttown are considered affluent with median household incomes exceeding \$160,000 and \$214,000, respectively, many neighbors quietly struggle.

More than **2,400 people in our community live below the poverty line**, including children, adults, and seniors. Unexpected hardships such as medical bills, job loss, a broken car, or housing expenses can quickly lead to financial instability.

The need is growing. Rising costs for housing, utilities, and groceries are creating additional strain. In 2025, PECO rates increased more than 10%, natural gas rates rose 12.5%, and grocery prices in Pennsylvania increased 8.2%—the largest nationwide.

“I really appreciate all that you’re doing not just for my family but for everyone that is in need. I really appreciate the support from my community so much—I really mean this from the bottom of my heart.”

- T&E Care Recipient

Your sponsorship enables us to continue providing critical support to families in need and expand our reach to more families facing financial hardship. Thank you.
